

Vanshika Singh Chauhan

+91-9460865712 | chauhanvanshika277@gmail.com | [LinkedIn](#) | [GitHub](#) | [Codolio](#) | Jaipur, India

Professional Summary

Aspiring Software Engineer with strong foundations in Java, Spring Boot, and Data Structures & Algorithms, backed by 550+ solved coding problems and hands-on experience building scalable backend applications and REST APIs.

Technical Skills

Languages: Java, Python, C, SQL

Backend: Spring Boot, Spring Security, REST APIs, JPA

Frontend: React.js, Angular, HTML, CSS

Tools: Git, GitHub, Postman, Linux, Docker, Jenkins

Core CS: Data Structures & Algorithms, OOPs, DBMS, Operating Systems, Computer Networks

Programming: Problem Solving, Competitive Programming

Achievements

- Solved 550+ DSA problems across coding platforms including 300+ on [GeeksforGeeks](#)
- Achieved [LeetCode](#) contest rating of 1600 (Max: 1635)
- Participated in 20+ coding contests across [LeetCode](#), [CodeChef](#), and [Codeforces](#)
- Qualified the first round of Smart India Hackathon (SIH 2025)
- Maintained CGPA: 9.00/10

Projects

Security Management System

Java, Spring Boot, Spring Security, JPA

- Migrated legacy EJB-based system to a modular Spring Boot MVC architecture, improving maintainability and scalability
- Designed and implemented secure role-based authentication and authorization using Spring Security and JWT
- Developed and optimized RESTful APIs with JPA-based persistence layer for efficient database operations
- Integrated backend services with Angular frontend, ensuring seamless data flow and improved system responsiveness

Smart Email Assist

Java, Spring Boot, Spring AI

- Built an AI-powered email assistant to automate email drafting and response generation using Spring AI
- Developed REST APIs to handle prompt processing, response generation, and backend orchestration
- Designed a scalable backend service architecture for efficient content generation workflows
- Improved user productivity by reducing manual email writing effort through intelligent automation

Experience

Java Spring Boot Intern

June 2025 – July 2025

Client Project – Security Management System — Remote

- Migrated EJB modules to Spring Boot MVC architecture
- Integrated Angular frontend with backend REST APIs
- Optimized modular code and authentication workflows

Web Development Intern

July 2024

SKIT Jaipur — Remote

- Developed responsive web pages and improved UI/UX

Education

B.Tech – Information Technology

2023 – 2027

Swami Keshvanand Institute of Technology, Jaipur

CGPA: 9.00

Higher Secondary Education

2022 – 2023

Gyaan Jyotii Vidyapeeth SSS

89%

Secondary Education (Class X)

2020 – 2021

Gyaan Jyotii Vidyapeeth SSS

97%

Certifications

- AWS Academy Cloud Foundations – AWS Academy
- Linux Fundamentals (RH104) – Red Hat Academy
- Java Programming – Oracle Academy
- DevOps Workshop – IEEE Upflairs
